

Cone Placement

Parking and the use of patrol cones

	<p>No parking within 5 metres (16 feet) of a marked crosswalk</p> <p>Place a cone on the road 5 metres from the outside line of a marked crosswalk.</p>
	<p>No parking within 5 metres (16 feet) of a fire hydrant</p> <p>Place a cone on the road 5 metres from a fire hydrant.</p>
	<p>No parking within 5 metres (16 feet) of a stop or yield sign</p> <p>Place a cone on the road 5 metres from a stop or yield sign.</p>

Note: another cone may be placed within the 5 metres to help block off the no parking area

Do not park a vehicle:

- on a crosswalk or on any part of a crosswalk
- within five metres (16 feet) of the nearest side of a marked crosswalk
- within five metres (16 feet) of a fire hydrant. When the hydrant is not located at the curb, do not park within five metres of the point on the curb nearest the hydrant
- beside other vehicles where you may be double-parked
- within five metres of a stop sign or yield sign
- within 1.5 metres (5 feet) of access to a garage, private roadway, or driveway
- within an intersection
